

January News

Happy New Year!! Feliz Año Nuevo!! We want to wish all of our families a very happy and healthy 2012, and thank you for the tremendous support you have given us through 2011. We hope everyone enjoyed their winter break among families and friends.

We are launching into the second part of the academic year, and as the growing and learning of our students never stop, our school continues to grow and expand with them to meet their needs and help them develop to their highest potential. Hence, we are proud to announce the new computer lab/program that our students will be working on and enjoying as part of their daily activities. From Monday through Thursday, four students at a time will have a 45 minutes class in the computer room. During these classes, children will be working on math, perception, language and reading skills. Miss Florencia will be the teacher in charge of this program.

More good news! To continue on our path to offer more and better programs to our students, we are also announcing the extra curricular programs to start in the months of January and February. On Mondays we'll host a "Drawing Class by Young Rembrandts", on Tuesdays "Dance Class for Girls", on Wednesdays "Music Class by Kindermusic", and on Thursdays "Tumbling Class for Boys".

Students are back, and with more eagerness to discover and learn new things than ever. It is very satisfying to see our children happy to be back to school, meeting with their friends and teachers, engaging in activities that meet their developmental needs and challenge them in the process of discovering more about themselves,

each other, and the world that surrounds them. Hard work, perseverance, and commitment to our students and community are the three key words that keep us growing and moving along with every step we take to fulfill our mission of providing a rich, nurturing and fun experience of education to children in their early ages.

There are also some special activities/events that will take place during this month. Check the January calendar and be alert for the coming notes from the office.

I would like to take this opportunity to publicly **Thank** Miss Sue, Miss Nora, Miss Christine, Miss Heather, Miss Florencia, and Miss Maha for their everyday hard work and dedication to our school and students. Your children cannot be in better, caring hands. Thanks again ladies, *you are the best!!*

Special Congratulations to all the January Birthdays!!

Happy January everyone!! Keep warm and safe!!

Miss Alejandra

EXTRA CURRICULAR PROGRAMS

Enrollment forms for the Drawing, Dance and Tumbling Class are going home this Friday, January 6th. These three programs will begin on the week of January 16th. If you are interested in enrolling your child in any of these programs please do it ASAP. There is a limit of 10 students per class. First come, first serve.

PIZZA & MOVIE NIGHT

Our annual "Pizza & Movie Night" will take place on Friday, January 27th from 6 to 9 pm. As always, students are welcome to wear pajamas and bring with them their special stuffed animal, pillow and blanket. Sign up for this event is required. Signing up form will be sent home later.

100 DAYS

On Wednesday, January 18th our students will be celebrating 100 days of school. Some special activities will be planned for the day. We'll let you know of the project that children will be working on at home with their parents.

WINTER IS HERE!

We would like to remind parents about the winter gear children need to have at school in order to enjoy some outdoor fun. When the temperature is 25 or above, our students will be able to go outside for a while. They need a coat, gloves/mittens, hat, snow pants and boots for snowy days. Please label your child's belongings to avoid confusion!
